WHEREAS, Helix Wind and BLUEWATER mutually desire to engage in the exchange information and discussions (the "Discussions") which may lead to a mutually agreeable business relationship pursuant to agreements between the parties (the "Business Relationship");

WHEREAS, each party intends to furnish each other with certain Confidential Information (as hereinafter defined) in connection with the Discussions; and

WHEREAS, each party desires to have a detailed understanding in place with respect to the confidentiality of the Confidential Information.

NOW, THEREFORE, in consideration of the disclosure of Confidential Information by the parties, and other good and valuable consideration, the receipt and adequacy of which is acknowledged by the parties, it is hereby agreed as follows:

1. **Nondisclosure of Confidential Information.** Each party agrees to maintain the confidentiality of the other's Confidential Information and shall not, directly or indirectly, (1) transfer or disclose the other's Confidential Information to any third party (other than its representatives as provided in Section 3 hereof), (2) use the other's Confidential Information for any purpose other than for the purpose of the Discussions and evaluating the Business Relationship, (3) copy the other's Confidential Information without the prior written approval of the other party, (4) use the other's Confidential Information for a purpose that is detrimental to the other party or (5) take any other action with respect to the other's Confidential Information inconsistent with the confidential and proprietary nature of such information. Each party further agrees to return to the other all Confidential Information (and all copies thereof) and to destroy all other materials which incorporate, in whole or in part, any of the Confidential Information at the conclusion of the Discussions or within fifteen (15) days of receipt of the other's written request therefor. The obligations of the parties under this paragraph shall survive perpetually. In the event the Discussions lead to the consummation of the Business Relationship pursuant to written agreements, the parties shall agree (in such written agreements) upon appropriate confidentiality provisions relating to the period of and following such relationship.

2. **Definition of Confidential Information.**

(1) As used herein, "Confidential Information" shall include any and all information including plans, reports, interpretations, forecasts, agreements, notes, analyses, compilations, studies, records, specifications, drawings, sketches, models, samples, data, computer programs, documentation, or any other technical or business information, which is not publicly available and can be communicated by any means whatsoever, including oral; visual, written and electronic transmission, that relates to either parties' current or future business, products or development, including, without limitation:

(1) any and all information regarding costs, profits, sales, merchandising, products, mailing lists, customer lists, pricing policies, markets, vendors, supplies and key personnel, financial affairs, human resources, insurance, management information systems, operational methods, strategies, budgets, projections and business plans, and any and all information regarding any of either parties' subsidiaries or affiliates, shareholders or clients or customers;

(2) any and all information received from third parties that either party to this Agreement is obligated to treat as confidential or proprietary; and

(3) any and all existing hardware and software products and hardware and software in various stages of research and development.

(2) Notwithstanding the foregoing, Confidential Information shall not include information (6) currently readily available in the public domain (other than as a result of a breach of this Agreement), (7) in Helix Wind's or BLUEWATER possession prior to its receipt from the other, (8) independently developed by Helix Wind or BLUEWATER, or (9) provided to Helix Wind or BLUEWATER by a third party, which has no duty of confidentiality to the party hereto.

Confidentiality Agreement

3. Permitted Disclosures. Each party shall be permitted to disclose the other's Confidential Information to its representatives having a need for access thereto in connection with their employment or engagement and who have been instructed as to, and have agreed to be bound by, the terms and conditions of this Agreement prior to being given access to such Confidential Information. Each party shall take steps, no less rigorous than those it takes to protect its own proprietary information, to prevent its representatives from acting in a manner inconsistent with the terms of this Agreement.

4. Nonsolicitation. Each party acknowledges and agrees that the Confidential Information being furnished by the other hereunder is in consideration for the mutual agreement that, for a period of two (2) years from the date hereof, none of BLUEWATER, Helix Wind, or any affiliate (as such term is defined in Rule 405 under the Securities Act of 1933, as amended) of either BLUEWATER or Helix Wind shall, directly or indirectly, interfere with the relationship with, or endeavor to solicit, employ or entice away from the other, any person, firm, corporation or other business organization who or which is a customer or supplier of, or maintained a business relationship with, the other as disclosed in the Confidential Information.

5. Remedies. Each party acknowledges and agrees that the other shall suffer irreparable injury not compensable by money damages and therefore shall not have an adequate remedy at law in the event of breach of the provisions of this Agreement. Accordingly, each party shall be entitled to injunctive relief to prevent or curtail any such breach, threatened or actual.

6. Governing Law; Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of California (without giving effect to principles of conflicts of laws). Any disputes arising out of this Agreement shall be adjudicated exclusively by an appropriate Federal or state court sitting in San Diego County, State of California.

7. Severability. The provisions of this Agreement are severable and the unenforceability of any provisions of this Agreement shall not affect the enforceability of any other provision hereof. In addition, in the event that any provision of this Agreement (or any portion thereof) is determined by a court to be unenforceable as drafted by virtue of the scope, duration, extent or character of any obligation contained herein, the parties acknowledge that it is their intention that such provision (or portion thereof) shall be construed in a manner designed to effectuate the purposes of such provision to the maximum extent enforceable under applicable law.

8. No Right to Disclosure. This Agreement in no way constitutes an agreement by the parties to exchange or make available any particular Confidential Information or other information, and the extent of such exchange or availability shall be as agreed upon by the parties from time to time.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the date first above written.

Dear Mrs. Reich

As you may know I had a lengthy conversation with Mr. Bruckschweiger this morning. I believe that this discussion was quite useful as I was able to explain our position and concerns. Assuming that Mr. Bruckschweiger will inform you about the content of our conversation I will not go into any details now.

As mentioned earlier first of all we need to receive a clear statement from Debbie Gushlak whether or not she (still) takes the position that she did not sign the trust documents. As I was not yet able to send you the copies of these documents by mail I have attached them to this email now in order to save time.

Secondly, I have to stress again that we must insist that the freezing order with regard to trust assets be lifted immediately. We will not accept that the trustee is hindered from fulfilling its duties as trustee towards the members of the class of beneficiaries and from meeting the obligations of the trust towards its creditors by this freezing order. We advise you that by upholding this freezing order with respect to trust assets the trust may suffer damage and will incur fees, costs and expenses which we will have to hold your client accountable for.

At last I would like to ask once again that we are provided with the contact details of Eric.

As long as the issues mentioned above are not addressed, I am afraid that a meeting will not be of any benefit. However, despite the current difficult situation within the family, I still hope that it will be possible to find a "modus operandi" with regard to the administration of this trust which will be acceptable to all members of the family.

Yours sincerely,

Dr. iur. Frank Zindel

Myron Gushlak

Dear Mr. Lubin:

This firm represents Debbie Gushlak, wife of Myron Gushlak. We understand you have provided various financial services to Mr. Gushlak over the course of several years. The Gushlaks are engaged in divorce proceedings in the Cayman Islands, where they both resided until Mr. Gushlak's recent involuntary move to the United States.

As you may know, in November, Mr. Gushlak was sentenced to six years in prison – the maximum allowed by law – for his federal conviction for securities fraud. He is awaiting imposition of a sentence in state court.

Evidence has been adduced in the Cayman Islands' proceeding that Mr. Gushlak has taken steps in the last several years to frustrate Mrs. Gushlak's right to her share of marital property. We have been engaged to identify any secreted assets to ensure that all assets are put before the Court in connection with the allocation of marital property between the parties.

Under Cayman Islands' law, we believe that Mrs. Gushlak will be entitled at least to the value of half the assets acquired by Mr. Gushlak during the course of the parties' marriage. The Court is not limited to property located in the Cayman Islands or to property in Mr. Gushlak's name. Indeed, the Court has already indicated an intent to include assets Mr. Gushlak has sought to hide in a trust in Liechtenstein, irrespective of whether the assets are either legally nor beneficially owned by one or both of the Gushlaks.

We have determined that, in addition to any fees Mr. Gushlak or his various corporate disguises may have paid you for your services, on February 22, 2007, some \$5 million was transferred to your escrow account by Mr. Gushlak, which followed a transfer of \$1 million on

July 12, 2006, also to your escrow account. The checks were written on Bluewater Partners, S.A.'s Royal Bank of Canada Acct. No. 531685000. We would like to know whether you continue to hold all or any of these funds for Mr. Gushlak's benefit and if you do not, whether you will identify where those funds were transferred. It may be unnecessary to say so, but if there are other funds you are holding or have held, other than the money we identify above, we would expect you to provide the information as to those funds, as well.

Thank you for your cooperation in this matter.

Very truly yours,

JUDGMENT**

Petitioners Bluewater Partners, S.A. ("Bluewater"), IAB Island Ventures, S.A. ("IAB"), CAT Brokerage AG ("CAT"), and David Lillico ("Lillico") (collectively "Petitioners"), having brought this proceeding by Notice of Petition dated December 17, 2008; Petition dated December 15, 2008, with exhibit thereto; supporting affidavit of Myron Gushlak (as Managing Director of Bluewater), sworn to on December 11, 2008; supporting affidavit of Tatiana Mikitchuk (as Chief Executive Officer, Treasurer and Sole Director of respondent Clearview Acquisitions, Inc.), sworn to on December 12, 2008, with exhibits thereto; and Statement of Petitioners (as supplemental memorandum of law), dated January 15, 2009;

WHEREAS the Petition is based on a Settlement Agreement and Release (collectively, "Settlement Agreement") dated December 12, 2008, between the Petitioners on the one hand and

Clearview Acquisitions, Inc. as respondent ("Respondent") on the other hand, which Settlement Agreement is attached as exhibit to the Petition; and

WHEREAS the Petition seeks an order approving the Settlement Agreement (Petitioner ¶ 19) and finding that the terms and conditions of an issuance pursuant to the Settlement Agreement of 11,000,000 shares of Respondent's common stock to Petitioners are fair to the Petitioners within the meaning of Section 3(a)(10) of the Securities Act of 1933 (as amended), 15 U.S.C. § 77c(10) (the "Act"); and

WHEREAS the Petition and supporting papers allege that the Settlement Agreement resolves a dispute among the Petitioners on the one hand, and Respondent on the other hand, relating to six promissory notes (the "Promissory Notes") in the aggregate principal amount of \$99,876.00 (plus interest) issued to Bluewater that have become due and payable by Respondent but remain unpaid except for a \$4,000.00 payment from Respondent to Bluewater, leaving an aggregate principal amount due of \$95,876.00 (plus interest) (Petition ¶¶ 2, 9-10 & 16; Gushlak Aff. ¶¶ 4-5); that portions of the Promissory Notes have been assigned by Bluewater to IAB in the principal amount of \$21,787,73, CAT in the principal amount of \$21,787,73, and Lillico in the principal amount of \$26,147,27 (Petition ¶ 12; Gushlak Aff. ¶ 6); that Respondent acknowledges that it does not have sufficient funds or ability to satisfy the Promissory Notes (Petition ¶ 14; Mikitchuk Aff. ¶¶ 3-5); that shares of Respondent's common stock are qualified for listing on the Over-the-Counter Bulletin Board, but trading in its securities is nominal and the trading volume illiquid (Petition ¶ 7; Mikitchuk Aff. ¶¶ 6-7); that Respondent has 54,280,075 shares of its common stock issued and outstanding (Mikitchuk Aff. ¶ 1); that Respondent has recently raised approximately \$22,600 from the sale of approximately 19,000,000 shares of its common stock to private investors (an average price of approximately \$0.0012 per share)

(Mikitchuk Aff. ¶ 5); that the only current means for Respondent to satisfy the Promissory Notes and avoid bankruptcy is through the issuance of authorized but unregistered shares of Respondent's common stock to Petitioners, pursuant to Section 3(a)(10) of the Act, as being securities exempt from registration under the Act (Petition ¶ 15; Mikitchuk Aff. ¶ 5); that by the Settlement Agreement the parties have agreed to resolve Petitioners' claims against Respondent by the issuance and delivery to Petitioners of 11,000,000 shares of Respondent's common stock (par value \$.0001 per share), allocated 3,000,000 shares to Bluewater, 3,000,000 shares to Lillico, 2,500,000 shares to IAB, and 2,500,000 shares to CAT (the "Settlement Shares") (Petition ¶ 18; Gushlak Aff. ¶ 7); that courts have considered as factors "relevant to a full and fair assessment" of a proposed settlement under Section 3(a)(10) of the Act the complexity, expense, and likely duration of the litigation; the reaction of those directly affected by the settlement; the experience of counsel; the seriousness of the bargaining; the stage of the proceedings and amount of the discovery completed; the risks of establishing liability; the risks of establishing damages; the risks of maintaining the litigation through the trial; the ability of the defendants to withstand a greater judgment; the range of reasonableness of the settlement in light of the best possible recovery; the range of reasonableness of the settlement to a possible recovery in light of all the attendant risks of litigation; and public policy favoring settlement (Petition ¶ 15); and that the terms and conditions of the issuance of the 11,000,000 shares of Respondent's common stock to Petitioners are fair to the Petitioners (so as to qualify as securities exempt from registration under the Act) (Petition ¶ 15); and

The Court having considered the submissions in lieu of a hearing; and due deliberation having been had thereon; and the Court having issued an order dated March 24, 2009 (motion

sequence #1), granting the Petition without opposition, and directing Petitioner to settle judgment;

IT IS HEREBY ADJUDGED that the Petition is granted; and the Settlement Agreement (as herein defined) is approved as fair to the Petitioners (within the meaning of Section 3(a)(10) of the Act); and that the terms and conditions of the issuance of the Settlement Shares (as herein defined) in exchange for the release of certain claims as set forth in the Settlement Agreement are fair to the Petitioners.
